

Tons of Trucks

By Sue Fliess

HMH Books. Hardcover. Book Condition: New. Betsy Snyder (illustrator). Hardcover. 18 pages. Big trucks, small trucks, dump trucks, tow trucks, and all kinds of other trucks can be found in this playful touch-and-move book. A backhoe scoops and digs, a cement truck spins, a tar truck oozes sticky tar, and tabs pull up and out to reveal surprises. The trucks eventually slow down for a rest, where little hands can lift the flaps to see animals snuggling up for sleepy-time under a rising moon. Filled with vibrant art and adorable characters, this book gives a child everything he's looking for when he presses his face against the fence at a construction site! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.

Reviews

If you need to adding benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and i suggested this publication to learn.

-- **Alec Veum**

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
