Supernatural Truth Productions, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.What was Paul's thorn in the flesh ? Was it a sickness or disease that God refused to heal? Was it an eye problem? Was it a demon? In this book, author Art Thomas tackles the matter of Paul's thorn in the flesh with clarity and faithfulness to Scripture. He also delves into some of the most classic objections to physical healing, including: Why Isn't Everyone Healed? What about the Pool of Bethesda? What about All the Times God Afflicted People with Disease? What about Job? What about Jacob's Limp? What about Timothy's Frequent Illnesses? What about Paul Leaving Trophimus Sick in Miletus? These questions have been used for years to argue that God does not always want to heal-a statement that is completely at odds with the life and ministry of Jesus Christ. Jesus Christ healed every person who came to Him or called out to Him. He paid a very high price for healing, and He deserves to receive everything for which He paid. It is vital that we remove the thorn of doubt that skews our perspective of God. Get ready for some spiritual tweezers!.
