Createspace, United States, 2015. Paperback. Book Condition: New. Bilingual. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.FRENCH PICTURE DICTIONARY Vol.1: French to English THIS EDITION: The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing the basics, and as a precursor to studying grammar or more advanced bilingual editions. Volume 1 in this series provides the language learner with a broad exposure to basic words and concepts, using visual queues to support understanding and retention. This picture dictionary takes the unconventional approach of including adjectives, verbs, adverbs and prepositions, not just nouns. In doing so, visual queues become a way to progress much deeper into the foreign language. Once a student has studied the basics, the Picture Dictionary can be a helpful language building resource. The suggestion is to progress through the dictionary as you would a normal book, rather than try and use it as a reference text. The dictionary provides the basis for a language learner to make an easy and fruitful transition to more advanced bilingual texts. If audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and resources from 2Language Books (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on premium content and resources. (A Dual-Language Book Project) 2Language Books.
