

The Third Way (Paperback)

Filesize: 8.86 MB

Reviews

Absolutely essential study book. It normally is not going to charge excessive. I am delighted to inform you that this is basically the finest ebook we have study during my very own lifestyle and can be he greatest publication for at any time.

(Dr. Willis Paucek II)

THE THIRD WAY (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. People like to compare two major economic systems side by side. The victorious one, neoliberalism, and the inferior one, socialism. A third way is not or is only seldom spoken of. One can find it, however, in this book. This economic system is liberal, but its neoliberal teeth have been decidedly pulled out by for example, making speculation and dumping wages impossible. This makes it an extremely exciting manuscript, and extremely worthy of consideration. This book offers not superficial optimism but instead an utterly explosive vision to incite debate. It is possibly one of the most important works that has been published in recent years. Reading this book left me with the same feeling I had after reading Shakespeare s A Mid-summer Night s Dream. This was said by a member of German Council of Economic Experts. A global and universally just world economic system doesn t have to remain a mere utopian vision. What we need, however, is an economic paradigm shift no less radical than the shift from a geocentric to Copernican worldview. Coach and Change Manager Rainer Grunert characterizes himself as a radical lateral thinker, and his essay as a necessary heretical provocation in these times of world economic crisis. In The Third Way, he calls for an equalization of money and goods where instead of in-terest being paid; in the future fees should be paid for the storage of money - just as fees are paid for the storage of goods. From that basis, Rainer Grunert develops a model of world economy, which would very quickly make worldwide prosperity for all people possible and sustainable: The slow depreciation of money leads to a...
