Brand New Book ***** Print on Demand *****.To be in harmony with nature, one must be true in thought, free in action, and clean in body, mind, and spirit. This is the solid granite foundation of character. Have you ever wondered why most great men were born in humble homes and passed their early youth in the open country? There a boy is accustomed to see the sun rise and set every day; there rocks and trees are personal friends, and his geography is born with him, for he carries a map of the region in his head. In civilization there are many deaf ears and blind eyes. Because the average boy in the town has been deprived of close contact and intimacy with nature, what he has learned from books he soon forgets, or is unable to apply. All learning is a dead language to him who gets it at second hand.
