Between the ghosts and my own dumb choices, my life is a puke-inducing screamer of a roller coaster ride. My latest dumb choice catapults me all the way from East Texas to South Louisiana. So far, its been a trip to the bad crap zone. My boyfriend and I got into a fight because hes a lying jerk. A ghost trashed my car because she wants her murder solved. The boyfriends ex-wifewhos still sniffing aroundloves the drama because shes anever mind. Id love nothing more than to take the next bus back to Texas. But this teenage ghost is my boyfriends sister who went missing twenty years ago. Her family needs to know what happened. Now Im stuck in this huge house with people I didnt even know existed twenty-four hours ago. Theyre nice enough, but talk about awkward. This familys secrets could be the basis of a tell-all tabloid soap opera. Trying to solve this murder might be another one of my dumb choices. Theres more suspects than ants on ice cream. The killer has gotten away with this for twenty years, and it seems like any clues would be long lost. But every conversation reveals another secret. Little bits and pieces lock together as I close in on a horrifying truth. How far will a murderer go to protect a secret My guess is pretty durn far. This item ships from multiple locations.
