

Subversives: The FBI's War on Student Radicals, and Reagan's Rise to Power

Filesize: 8.22 MB

Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe.
(Arielle Ledner)

SUBVERSIVES: THE FBI'S WAR ON STUDENT RADICALS, AND REAGAN'S RISE TO POWER

Farrar, Straus and Giroux, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "In case you've forgotten or are too young to know, the 1960s were the template for today's political divisiveness. In *Subversives*, Seth Rosenfeld chronicles how the abyss formed. His book is crucial history. It's also a warning . . . Profound thanks to Seth Rosenfeld for outing the truth and speaking truth to power." Carlo Wolff, *The Christian Science Monitor* "Several books have dealt directly or tangentially with the Berkeley student revolt, but Seth Rosenfeld's *Subversives* presents a new and encompassing perspective, including a revisionist view of Ronald Reagan and a detailed picture of FBI corruption. The details of the story did not come easily. It took Rosenfeld, a former reporter for *The Chronicle* and the *Examiner*, 25 years and five Freedom of Information Act lawsuits to finally get all the material he requested from the FBI. The bureau fought him every inch of the way, spending more than \$1 million of taxpayers' money in an effort to withhold public records, until it finally had no choice . . . A well-paced and wide-ranging narrative . . . A deftly woven account." *The San Francisco Chronicle* "Vivid and unsettling." *The New Orleans Times-Picayune* "Seth Rosenfeld fought the law and the people won; there can be little doubt of that . . . *Subversives* deepens our understanding of the political underpinnings of this period with the aid of many new details . . . *Subversives* will automatically become an essential reference for students of sixties unrest, of the career of Ronald Reagan, and of the FBI's long history of illegal shenanigans against American citizens." *Barnes and Noble Review* " *Subversives* is more than a documentary history it has the insight that...
