THE COLLAPSE OF THE THREE STORY UNIVERSE: CHRISTIANITY IN AN AGE OF SCIENCE (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. Trey Everett (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book is to try and present a series of images that will allow us to understand how it is indeed possible for an invisible being, God, to be part of our material reality, the universe, in a manner that is both significant and consistent with what we currently understand about that reality. This work is organized along theological lines, using theological categories from the Christian faith as a framework on which to paint this new image. This exploration also relies on contemplative practice and teachings as a method for examining reality, as the spiritual tradition will help us see all things new. Such a discussion will be useful on several fronts. One is for the person of faith inside the church who may, consciously or unconsciously, be anxious about discussing a faith built upon a model of reality, the Three-Story Universe, they know to be false. I believe that if this person had another more consistent model or image to draw from that they would be more confident about being a person of faith in the modern world. Hopefully this work will also be of help to the thousands of people who have left the church precisely because they can no longer deal with a faith based upon an image of material reality that is untrue. Perhaps if they had an image of faith and reality that was more consistent they would be able to reconnect with their faith lives in a more meaningful way. Finally, I hope that this work will be useful in interfaith dialogue. People of different faiths continue to kill one another by the thousands often because...
