LOCS, LIFE AND LOVE: THE KNOTTY CHRONICLEZ - BY - ANDREA DEBERRY FLY TY UNCHAINED (PAPERBACK)

Lulu.com, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is the compilation of both authors perspectives described through poetry. Although we have never physically met, our connection is one of higher plateau; a connection of a two individuals from different backgrounds but essentially the same experience-the experience of a black man and woman. This book was birthed out of online interaction and divine inspiration, out of the recognition of pure talent and a desire of ours to have our voices heard. It is our hope that this book be an inspiration, an eye-opener, and a true experience to all who read it. This work of ours speaks about love, passion, longing, as well as difficult issues such as abortion, domestic violence, and even slavery. This book is coming from our hearts, it is a song set to our beat, it is a sonnet to those with no voice, it is our love for our people and each other placed in black and white. So, read this book with an open mind and heart and hear our conversation-our Knotty Chroniclez.
