Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Selling books on Amazon isn't easy. It's estimated 6,000 new eBooks start out free on Amazon everyday. Your book is just a small fish in a big pond. If you want to sell more books - you need to make a plan. Indie Author s Toolbox was written for new and experienced authors alike. It's a guide to optimizing your book for Kindle, but - it doesn't stop there. Too many authors look at Kindle as the final destination for their books. They're so caught up in optimizing their book for Amazon, running KDP Free Days, Countdown Deals, and cycling prices that they forget - Millions of people have never bought a Kindle book, let alone any kind of eBook. You need to explore other self-publishing platforms that will allow you to maximize revenue from your book. Here is a sampling of the platforms this book is going to explore: 1. Create Space 2. Audible (ACX) 3. Babelcube 4. Smashwords 5. Barnes Noble 6. Google Play 7. Google Books 8. Kobo. For you hardcore Amazon addicts, I'm going to share a little information that can help you, too. There are no secrets. No tricks. No magical incantations you can invoke to sell more books on Amazon, or any other online book site for that matter. Selling more books is all about how you manage the basics. It's about - 1. Writing a good book 2. Selecting a killer title 3. Creating an attention-grabbing cover 4. Writing a book description that compels readers to click the buy button 5. Choosing keywords that drive searchers to your book 6. Ensuring your look inside...
