

TV Cream Toys: Presents You Pestered Your Parents for

Filesize: 9.24 MB

Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HarperCollins Publishers. Hardback. Book Condition: new. BRAND NEW, TV Cream Toys: Presents You Pestered Your Parents for, Steve Berry, Do you remember tearing down the stairs at five in the morning, in wide-eyed anticipation of the mountain of wrapped boxes under a Woolies' fireproof silver tinsel tree? Do you remember the sense of disappointment when what you'd asked for wasn't among them? Or - worse - when you found a cheap, knock-off version of a toy you really wanted? Lavishly illustrated and with over 300 colour photographs, TV Cream Toys celebrates the presents that we hoped, wished and prayed would turn up in the Christmas stockings of yesteryear. From Big Trak to Buckaroo!, Mastermind to Merlin, Sorry! to Strawberry Shortcake, each peerless plaything from the '60s through to the '90s is examined and catalogued (in the Argos, rather than the scientific, sense). Culled from award-winning retro website TV Cream, this book lists a wealth of fondly remembered toys, games, and novelties, and unearths quite a few of the oft-forgotten classics that, even to this day, remain treasured in the hearts of our inner children. LET THE BLIZZARD OF MR MEN WRAPPING PAPER COMMENCE.
