

The Health Effects of Video Games: What You Need to Know (Paperback)

By Adetutu Ijose

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this her new book, Adetutu Ijose once again seeks to bring attention to yet another overlooked health effect of computer use. This time she seeks to help the video gamer in achieving life balance and understanding the health effects of their activity thereby providing information to enable the individual take an informed decision and not one based on ignorance. If you are a gamer or know a gamer or are a potential gamer this book is a must read for you if you want to live a healthy life without your long term computer use becoming a source of self destruction you need to get the information provided in this book. Many gamers look at gaming as a form of leisure. Unfortunately, it is impossible for gaming to be a form of relaxation as inherent in computer use which gaming really is, is an unnatural stress that is very troubling for the human system and which we are not coded to deal with naturally. It is important that gamers get this information, as it is not available...

Reviews

An extremely great ebook with perfect and lucid answers. This is certainly for anyone who states that there was not a well worth looking at. Its been designed in an exceptionally simple way and is particularly only soon after i finished reading through this ebook in which actually transformed me, modify the way in my opinion.

-- **Libbie Farrell**

If you need to adding benefit, a must buy book. It can be loaded with wisdom and knowledge I discovered this ebook from my dad and i encouraged this pdf to discover.
