WHEN SHADOWS FALL (PAPERBACK)

Galaxy Press, United States, 2010. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. Star Treks Captain Kirk has a kindred soul in Lars the Ranger, a commander of his own star fleet. But whereas Kirks mission is to boldly go where no man has gone before, Lars is boldly going where other men arein a desperate attempt to save his home planet . . . Earth. Hes not exploring the final frontier. He is our last hope.Earth is way past global warming. Its totally friedan environmental disasterand most of its inhabitants have cut out for greener pastures, colonizing distant worlds. Lars leads an expedition across the galaxy to visit those worlds in hopes that he return with the resources needed to bring Earth back from the brink of extinction.But Lars has apparently failed. A mammoth fleet of mysterious starships are descending on the third planet from the sun. Is Earth history? Yes . . . and that may just be its saving grace. By the spring of 1938, Hubbards stature as a writer was well established. As author and critic Robert Silverberg puts it: he had become a "master of the art of narrative." Hubbards editors urged him to apply his gift for succinct characterization, original plot, deft pacing and imaginative action to a genre that was new, and essentially foreign, to himscience fiction and fantasy. The rest is SciFi history.Also includes the science fiction adventures, Battling Bolto, the story of a giant, con man whos running an interstellar scam, while the biggest trick of all lies right under his nose; and Tough Old Man, in which an aging constables lack of feelings is not a matter of insensitivity, but of a secretand surprisingside of his character.
