BIOGRAPHY OF A BOOK: HENRY LAWSON S WHILE THE BILLY BOILS (PAPERBACK)

Sydney University Press, Australia. Paperback. Book Condition: New. 210 x 148 mm. Language: N/A. Brand New Book ***** Print on Demand *****.Biography of a Book traces the life of an iconic Australian literary work in the lead-up to, and for a century after, its initial publication: Henry Lawson s 1896 collection While the Billy Boils. Paul Eggert follows Lawson s gradual development of a pared-back bush realism in the early 1890s, as he struggled to forge a career, writing short stories and sketches for the newspapers. Lawson s famous collection came out at a decisive moment for the development of a fully professional Australian literary publishing industry, then in its infancy in Sydney. The volume s editing, design and production were collaborative events that changed the feel and nature of Lawson s writing. He had to give ground on his texts and their sequencing. The collection went on to be reprinted and repackaged countless times. Its production and reception histories act like a geological cross-section, revealing the contours of successive cultural formations in Australia. In unravelling the life of Lawson s classic work Eggert s book-historical approach challenges and clarifies established understandings of crucial moments in Australian literary history and of Lawson himself.
