Brand New Book ***** Print on Demand *****.Excerpt from English Epigrams: Selected and Arranged With Introduction, Notes, and Notices of the Epigrammatists Elsewhere, the object of the Editor has been to place in juxtaposition epigrams which illustrate one another either by similarity or contrast. In the Introduction will be found a brief, but it is hoped useful, sketch of the rise and progress of the Epigram. The epigrams themselves are accompanied, where necessary, by notes, critical and explanatory; a few particulars of the lives of the Epigrammatists are given in another section; and, by appending full indices of authors, subjects, and first lines, an effort has been made to render rapid and easy the consultation of particular passages. No pains, in fact, have been spared to attain accuracy and completeness, and it is hoped that the result will meet with the approval of both the public and the critics.
