AuthorHouse. Paperback. Book Condition: New. Paperback. 120 pages. Dimensions: 8.9in. x 6.0in. x 0.3in. The American Dream! Build and Grow Rich! At one time or another most of us have said we would like to design and build our own home just the way we want it. However, we did not know just what that meant or how to accomplish the task. Now! Here is a guide to the process that will help walk you through the minefield of potential mistakes with a definite game plan that will greatly enhance your design and building experience. The main objectives of most of our home buyers and custom home clients are to both build a high quality home to live in, and to improve their net worth through making a good investment in real estate. Neither of these goals are easily accomplished without the skills and talents of many individuals. This publication is designed to empower you with essential information you will need to accomplish your goal of designing and building your dream home successfully, and with a minimum of stress and costly mistakes. You may either read it in its entirety or use it as a look up reference guide to review our time tested choices while making your own decisions for the design and construction of your dream home. A must read for anyone thinking of designing, buying, building, or selling a home! Washburn Builders exemplify the high standards of quality, craftsmanship, reliability, and experience as a SAHBA Certified Custom Builder. Roger Yohem, SAHBA Communications Director Bravo, Ill refer all of my clients to your book. Its the perfect book for those who have ever even remotely thought of building a home. Lucy Barraza, REMAX Premier Realty Working with a custom home contractor was an exciting and enjoyable experience. We would recommend building a custom home...
