

A Treatise on Typhoid Fever, Pneumonia, and Other Diseases: Including a Large Number of Clinical Cases, Also, the Treatment of Some Diseases of Animals (Classic Reprint) (Paperback)

Filesize: 3.75 MB

Reviews

Just no phrases to describe. It typically does not price an excessive amount of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Felton Hessel)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from **A Treatise on Typhoid Fever, Pneumonia, and Other Diseases: Including a Large Number of Clinical Cases, Also, the Treatment of Some Diseases of Animals** I have been studying and practicing medicine almost thirty years, and for the last twenty years of my practice have been especially successful in the treatment of typhoid fever and pneumonia; of the former, I have treated in that time fully two hundred cases without losing a single patient, and of the latter disease, I have treated nearly as many cases, and have had but two deaths. From the above facts, and knowing somewhat of the success of other physicians in the treatment of the same diseases, and prompted by a strong desire to benefit my fellow-men, I have been induced to offer to the public this small volume, hoping that, after a careful perusal, it may find some to give me credit at least for an honest purpose in my efforts to show in detail my treatment to others, and thereby save life and much suffering. I am aware that, perhaps, my book may not be found perfect, and that in some instances it may be severely criticised by men of much greater eminence than the author. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
