Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When I first arrived in Iquitos, Peru in July 2012 I did not know what day it was, but within hours of my arrival I had heard much about ayahuasca, an Amazonian jungle vine that, boiled with other jungle plants, causes hallucinations, what people referred to as visions that change people s lives, often, they said, for the better, if not for the Good. I was curious, but skeptical. What is this concoction of vines and leaves? What does it really do to the mind and body? Is it truly the miracle cure for the mostly spiritual ills of Modern man? I had to find out for myself, and I did so by looking into the history of the plants involved, the science of it all, the traditional and the modern religious aspects of the ceremonies one partakes in, the Ayahuasca Ceremonies conducted by a curandero, the medicine man who guides the ayahuasca user s journey into the unknown realm of plant spirits. I asked private people about ayahuasca, recording their accounts, noted accounts of professional writers before me, watched people under the influence of ayahuasca. I wanted to know about this experience from as many sources and from as many fields as I could find. My search for answers about ayahuasca led me to curanderos in the city of Iquitos, to curanderos in the surrounding jungles, and even into the aether itself. The more I discovered, the more skeptical I became about any genuine physical and especially psychic benefits to the individual taking this drug- or medicine as the true believers call it. But really, I had to take it myself to know for sure. And...
