Friesenpress, United States, 2015. Paperback. Book Condition: New. Eric De La Torre, Elizabeth Fernandez (illustrator). 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.This story is about the twins, Tommy and Tammy, that get the chance to help their small town. Because of a shut down of the town's sawmill, many people leave to find work elsewhere, enabling the twins to start their career as the world's only fire fighting children! At the end of their exciting story, they deliver tips on fire safety and a copy of a fire safety plan for children to fill in and put on their bedroom wall showing at least two ways out and a safe meeting place outside. The hope is that Tommy and Tammy will do what the fire safety house does: get children's attention while teaching them about home safety issues. Their story can hopefully reach into the small towns and remote villages that will never have a fire safety house due to the costs involved to build and maintain them. The twins also talk the merits of practice, hard work and team work as a way of life.
