

Own It! Financial Planner: Empowering the Home Buyer in Any Economy (Paperback)

By William E Keeler

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Own It! Financial Planner is the perfect companion to the Own It! For First time Home Buyers workbook. Managing your money is the first step toward financial management. Finance includes money, as well as investments. Investments? Yes, investments. You may not have them now, but you can have them. Money management is a discipline. You have to want to do it. You have to decide to do it. And then you have to do it. No one can do it for you. Make the commitment now to do it. It s the best thing you can do for yourself. It won t be easy. Breaking bad habits never is. Creating good habits to replace bad one ones will reward you with the financial freedom you ve always craved. You ll have money to spend. You ll have money saved. You can also have money to invest. Most importantly, you ll have control over your spending. My 89 year old Aunt loves telling the story about her first job. It was in the early 1940 s. She was...

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

-- Mrs. Ellie Yost II

This ebook is very gripping and exciting. It is one of the most amazing book we have study. Its been printed in an remarkably easy way and it is only after i finished reading this book through which really transformed me, affect the way i think.

-- Camille Greenholt
