JESUS OF THE FUTURE: THE STORY OF JESUS CHRIST BIRTH, LIFE, DEATH RESURRECTION AND PROMISE OF RETURN AS IT HAPPENS IN THE FUTURE (PAPERBACK)

Balboa Press, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Jesus of the Future is a novel presenting a totally different option for stories about God and Jesus; it takes you through a fictional creation and several well know Bible stories. Each provides a different view from what you find in the Holy Bible, but with a somewhat same conclusion; there is an extensive disclaimer that acknowledges the Holy Bible as true and that no part of the novel is to take the place of the actual Word of God, as is in the Holy Bible. There is an extraterrestrial portion, in which a human man and a visitor from another world become friends; from this comes the ability to create the first and totally genetically artificial life-form, which becomes Jesus. Another section describes how Jesus is born, is raised, lives and dies; it offers a continuous message of salvation. Again it presents a totally different way for Jesus to have lived; even so, He does die for the sins of mankind by crucifixion, and the final part tells of the return and promise of everlasting life. This work of fiction provides direct, firm, clear direction for becoming a born-again Christian. There is a very clear message on the promised return of Jesus Christ. This is the first of a planned series. The second volume will be titled The Book of Short Stories and will tell how God worked in the lives of different people.
