Prostitution and the Ends of Empire: Scale, Governmentalities, and Interwar India (Paperback)

By Stephen Legg

Duke University Press, United States, 2014. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book. Officially confined to red-light districts, brothels in British India were tolerated until the 1920s. Yet, by this time, prostitution reform campaigns led by Indian, imperial, and international bodies were combining the social scientific insights of sexology and hygiene with the moral condemnations of sexual slavery and human trafficking. These reformers identified the brothel as exacerbating rather than containing corrupting prostitutes and the threat of venereal diseases, and therefore encouraged the suppression of brothels rather than their urban segregation. In this book, Stephen Legg tracks the complex spatial politics surrounding brothels in the interwar period at multiple scales, including the local, regional, national, imperial, and global. Campaigns and state policies against brothels did not just operate at different scales but made scales themselves, forging new urban, provincial, colonial, and international formations. In so doing, they also remade the boundary between the state and the social, through which the prostitute was, Legg concludes, civilly abandoned.

Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

-- **Dr. Marvin Deckow**

It is simple in study easier to fully grasp. It is definitely basic but unexpected situations within the fifty percent in the ebook. I am delighted to let you know that this is actually the finest publication I have got read inside my own life and could be the very best ebook for actually.
