Many students are not as clever as they need to be about how they study and learn. The Learning and Study Strategies Inventory (LASSI) is designed to help you develop or expand that awareness so you can be more successful in college.

The LASSI helps you to assess your strengths and weaknesses in six different areas related to being a strategic and successful learner in college. Research has shown that each of these areas is important for succeeding in higher education.

Book Review

An exceptional pdf as well as the typeface utilized was interesting to see. I am quite late in start reading this one, but better then never. I am very happy to explain how this is actually the best pdf i actually have go through within my individual daily life and might be he greatest publication for possibly.
