Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Truth is stranger than fiction Do you find the Bible to be a bit dull and boring? Or is it just confusing? Are you always asking questions, but never finding answers? Why is God invisible? Is He hiding from us? Or is He just playing a cosmic hoax while humanity is left to grapple in the dark? Were Adam and Eve really embarrassed because they were naked? Or was there something else they were trying to cover up? Why would an omnipotent God go searching for mere mortals? Could the answer be found in modern physics? At one time in history it was dangerous to be a Christian but now it seems to be en vogue. Has the modern church widened the narrow road that leads to life? While nobody can take issue with Jesus magnificent sermons on love or His compassionate works of healing, what about those volatile moments when He cursed a fig tree or flipped tables over in a temple? Pearly gates? Streets of gold? A mansion in the sky? Is that a description of heaven or of the Vegas Strip? If reality is a two-sided coin, with both physical and spiritual dimensions, then shouldn t we recalibrate our way of looking at things? How can we understand what is happening in the visible universe until we first understand what is going on in a parallel, invisible universe? By unlocking deep, spiritual mysteries embedded in the Bible, In Search of God; decoding reality will shatter the old paradigm which is nothing more than an illusion constructed by our five senses.
