STATISTICS FOR MANAGEMENT, (SEVENTH EDITION)

Pearson Education, 2012. Softcover. Book Condition: New. 5th or later edition. Statistics for Management is a comprehensive textbook designed to help students understand the statistical concepts and applications used in business and management situations. As in case of the earlier editions, this edition too omits complex notations in favor of graphic and verbal explanations and aims to explain the subject with a practical orientation. Examples from the real world are discussed to explain how the textbook principles work in professional...
