

Astrology for Overcoming Cancer

By Mridula Trivedi & T.P. Trivedi

Chaukhambha Publications, New Delhi, India, 2009. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. In the face of near incurability of cancer, Medical Science today underlines the importance of early diagnosis. By and large we are either ignorant or prone to ignore its early symptoms. But think of a person who has the benefit of an expert astrologer's prophecy about the likelihood of his vulnerability towards this dreaded disease. He is more likely to be alert and cautious to take prompt and thorough care of the early symptoms as compared to a layman. With the help of astrological consultation in time, the otherwise avoidable sudden shock and damage can be reduced, if not completely eliminated. Apart from this, even when the disease has been contracted, Astrology with its spiritual ramifications strengthens the patient to overcome the devastating misery by infusing a deep feeling of solace in him. The Book lays emphasis on the correlation between the planets and the diseases known to our sages and cogently places this to the service of man. It concludes, on the basis of a host of actual case studies, that astrology is more useful than any other system of prophecy of diseases....

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. You may like just how the article writer compose this ebook.

-- **Prof. Elliott Dickinson**

This publication will be worth purchasing. It typically is not going to cost a lot of. Its been designed in an exceptionally straightforward way and it is just following i finished reading through this pdf through which actually changed me, change the way i believe.
